THE JOURNEY WITHIN WELLNESS

Welcome to So Spa!

Mykonos Theoxenia – where contemporary
beauty meets timeless Greek heritage.

Rooted in the spirit of Mykonos and inspired
by the iconic architecture of our landmark hotel,
our spa philosophy blends tradition
with today's wellness trends, creating a conceptually
social and deeply mindful retreat.

Perched above the Aegean, So Spa invites you to unwind
in an atmosphere where the sun-drenched serenity
of the Greek summer meets expert care, a salty breeze,
and a view that soothes the soul.

Step on the historic stones, feel the island's energy,
and let us take care of you.
You are precious to us.

REJUVENATING | LIFTING | SCULPTING

The new rejuvenating and lifting treatment by Natura Bisse, inspired by aesthetic medicine is designed to correct the most pronounced facial lines, an alternative or complement to medical- aesthetic procedures. The fusion of cutting-edge active ingredients and exclusive massage techniques minimize the effects of gravity on the skin, providing a renewed complexion.

Diamond Energy 60' | 160€

RADIANT | FIRMING | HYDRATING

Global anti-aging, high-end treatment that promotes instant radiance and a powerfully hydrated complexion. It visibly transforms the skin using some of the most powerful active ingredients and innovative massage techniques, offering enhanced results for a firmer, suppler and more radiant skin.

Your Skin's Comfort 60' | 155€

SOOTHING | STRENGTHENING | RESTORATIVE

Comfort your skin with this calming treatment, specifically designed to reduce redness and irritation and restore a smooth, healthy appearance.

Formulated with powerful ingredients that repair and decongest, it reinforces and protects skin's natural barrier while instantly soothing, deeply moisturizing and increasing natural tolerance levels. It's the ideal solution to hypersensitivity, red spots, dilated capillaries and micro-inflammation which causes premature aging.

Citrus facial 60' | 145€

ENERGIZING | BRIGHTENING | ANTIOXIDANT

A vitamin cocktail facial for all ages. This treatment is a powerful citrus aromatherapy ritual that provides radiant skin. It is a true firming and antioxidant treatment that offers vitality and suppleness to skin aged by the sun, or skin that looks dull and shows signs of sagginess. Ideal before, during and after summer.

Oxygen Infusion 60' | 130€

REVITALIZING | PURIFYING | ENERGIZING

An oxygen infusion to awaken and purify your skin. The revitalizing power of pure oxygen provides skin with energy and freshness, cleanses and brightens dull complexions, restores clarity and provides a healthy glow. Ideal treatment for stressed, lifeless skin, after long flights, a long night out, ideal for men and anyone living in heavily polluted environment or going through a period of stress.

The Facial Express 30' | 85€

GLOWING | REFRESHING | YOUTHFUL

Revitalizing facial treatment without exfoliation that's perfect for all skin types and anyone looking to quickly restore a glowing youthful appearance. It's an ideal beauty booster before a special date or as an introduction to facial treatments.

Eye Intensive 30' | 85€

DEPUFFING | NOURISHING | REVITALIZING

A targeted treatment that relieves puffiness and dehydration around the eye contour area with a combination of cleansing, nourishing and decongesting ingredients, such as marine algae. This intensive treatment helps to address dark circles, puffiness and fine lines.

ADD-ONS

Enhance your experience with a mini facial treatment and customize your session with a skin booster, Plasma Light Therapy device (PLT) . Alternatively, opt for a full-body detoxification boost with the MLX i3Dome Touchless therapy session.

PLT Plasma Light Therapy 25' | 55€

ENERGIZING | REGENERATIVE | DETOXIFYING

During the session, you are exposed to the energy of oxygen (O2) in the form of applied electrically negatively charged ions combined with Light therapy. PLT stimulates cell metabolism while simultaneous inhalation through mouth and nose provides not only improvement of the skin appearance; but also positive benefit for the whole body including organs and muscles.

MLX iDome Touchless Therapy Session, 30' | 70€

DETOXIFYING | SLIMMING | RELAXING

The iDome far infrared therapy is a soft yet super powerful technique, allowing the body to rise significantly in temperature whilst undergoing the process of detoxing, slimming, anti-aging, muscle preparation and recovery as well as relaxation.

MLX Dome increases energy, stimulates metabolism, relieves inflammation, removes stress and promotes detoxification while facilitates weight reduction through sweat secretion.

SPARKLING BATHS

by *ALQVIMIA*

Alqvimia's bathing rituals blend ancient alchemical traditions with the finest natural ingredients to create a luxurious and holistic self-care experience.

Inspired by the wisdom of aromatherapy and essential oils, these rituals transform a simple bath into a moment of deep relaxation, purification, and rejuvenation.

Each formulation is designed to harmonize body, mind, and spirit, using botanical extracts and nourishing oils to restore balance and vitality.

Whether for relaxation, detoxification, or energy renewal, Alqvimia's bathing rituals offer a sensorial journey that enhances well-being and beauty from within.

Stressless in Mykonos, 40' | 95€

Sparkling bath repairing body, mind and soul. Very suitable for stays linked to work actions, meetings and events. Relax your mind, your body and your life.

Empty your thoughts and let your thoughts go into restorative silence.

Flower Halo, 40' | 95€

The exhalation of thousands of distilled petals for your divine place mixed with the Jordanian sea salt richest in trace elements and linked the great civilizations in the most medicinal aspects

Aegean Breath, 40' | 95€

Our body usually suffers from a lack of adaptogenesis when it changes its environment or ecosystem. We offer you a balsamic ritual that offers improvements in breathing, adaptability and restoration of the organism. Trees, shrubs and plants are the best tools to return your body to the tone and well-being it needs.

ICE BATH

An ice bath treatment is a rejuvenating spa experience that involves immersing the body in ice-cold water for a short period of time. During this time, the body's natural response to the cold water is to constrict blood vessels, which in turn increases blood flow to the vital organs and tissues. This treatment is designed to stimulate circulation, reduce inflammation, and promote a sense of deep relaxation.

Mykonos cool, 15' | 70€

Indulge in a refreshing ice bath treatment at So spa! Immerse your body in ice-cold water for 3-5 minutes to stimulate circulation, reduce inflammation, and promote deep relaxation. Our expert therapists will guide you through the experience, leaving you feeling rejuvenated and revitalized.

The treatment begins with a gentle warm-up to prepare the body for the cold-water immersion. Next, you are guided to the ice bath, which is typically filled with chilled water and ice cubes to create a temperature of around 15 degrees Celcius or lower.

Tip!

Maximize the benefits of your ice bath by first experiencing an MLX iDome far-infrared (FIR) sauna touchless session, followed by a massage treatment of your choice—for a completely revitalized you!
